

COMMUNICATION MATTERS ROAD SHOW

at The Kassam Stadium, Oxford
Thursday 10 June 2010 (9.25am-3pm)

COMMUNICATION MATTERS ROAD SHOW – OXFORD 2010

Learn All About the Latest Communication Aids

The Communication Matters Road Show provides an overview and an update of specialised communication aid technology for use by people with complex communication needs. The Road Show is organised with the help of *The ACE Centre Advisory Trust*.

The Road Show is a valuable opportunity to learn about communication aid technology from some of the UK's leading suppliers of communication aids and software. There will be opportunities for questions and hands-on trial of systems, and lots of valuable handouts and literature to pick up.

What will I see?

The Road Show has a Full Day Programme (9.25am to 3pm; Registration 9-9.25am) – delegates will attend five workshop sessions in which the companies will present and demonstrate products such as:

- ◆ Light Tech (e.g. BIGMack, Talking Buddy Buttons, Step-by-step communicators)
- ◆ Mini speech output (e.g. Allora, adVOCate, Chat PC 4, GoTalk, LEO, PortaCom, SpringBoard, VocaFlex)
- ◆ Speech output (e.g. Dynamo, DynaVox V/V Max, DynaWrite, Liberator-14, FuturePad, LEO, Lightwriter, Say-it Sam, SM1, MightyMo, MiniMo, Motion Tablet, Pathfinder, Springboard, Tellus 3 & Mobi, Vanguard, Vantage)
- ◆ Communication software (e.g. Boardmaker, Communicate series, Day Planner, Eurovocs suite, EZ Keys, Grid 2 & Grid Mobile, Memory Message, Mind Express, PCS & Widgit symbol libraries)
- ◆ Vocabularies (e.g. CALLtalk, ExpressTalk, Ingfield Express, Wordpower, Picture Wordpower)
- ◆ Signing and symbols (e.g. PCS, Widgit)
- ◆ Communicator/environment control (e.g. Jive, Powerbox), switches, amplifiers
- ◆ EyeGaze (e.g. Alea, EyeMax, EyeTech, EyeTracker, My Tobii)

If you are interested in seeing a particular device or piece of software, please ring the telephone number below to make sure it will be presented on the day.

Who is the day for?

- People new to the field of augmentative and alternative communication
- Professionals specialising in this field who want to update their knowledge
- Anyone who works with children or adults with severe speech, language or communication difficulties and are in need of special support with communication

Who will be presenting?

The presenters will be from companies that supply communication aids and related products, including: **DynaVox Mayer-Johnson, Inclusive Technology, Liberator, Logan Technologies, Possum, QED, Smartbox, Speaks4me, Techcess, Tobii Technology, Toby Churchill, Widgit Software**
